

Garden Arbors & Swings *for* Grown-Ups

Add Beauty & Character to Your Garden!

Lawn Swings, Gliders & Arbors

Serving you since 1998

*Create an atmosphere of relaxation,
and enhance your outdoor living area with our
quality, handcrafted swings, gliders and arbors.*

Thank you for your interest in our swings, arbors and gliders.

We have been manufacturing quality products since 1998. Each piece is hand made using only high quality materials.

Most of our products are available in kit form for easy shipping and assembly. We provide simple, easy to follow instructions.

We do our very best to make swings, gliders, and arbors that will last, and bring you years of beauty and satisfaction.

Thank you.

Tips for Maintaining Your Outdoor Furniture

- Check moving parts for signs of wear
- Tighten nuts and screws periodically
- Tighten moving parts only until "snug"

**WARNING: DO NOT OVERTIGHTEN
as this may cause cracking or breaking**

Keystone Gliders - Wood

Providing a great place to sit and relax!

The Keystone Glider is a unique swing. It is sturdily built, and yet very easy to assemble. This glider rolls on wheels, providing a smooth, relaxing ride.

WKG 484 - 4 Person Keystone Glider - Wood

Shown with Water Sealer • In Green with Rollback Seats and Table
With 40" wide seats, this glider can comfortably seat 4 people.

This glider is built like our other Keystone Gliders, but we used poly for the seat and back slats, and for the table tops and cup holders.

WKGP 484 - Keystone Glider

Shown with 40" Wide Seats and Green Canvas Top

WKG 484 - 4 Person Keystone Glider - Wood

With 40" Wide Seats

WKG 686 - 6 Person Keystone Glider - Wood

In Blue with Rollback Seats and Table
65" Wide Seats.

With 65" wide seats, this glider can comfortably seat 6 people.

Keystone Gliders - Poly

Our Poly Keystone Gliders are built just like our wooden ones. You get the same solid structure and cozy, relaxing ride.

KGP 484 - Keystone Glider - Poly

In Burgundy with Rollback Seats and Table
40" Wide Seats

Safety Kit

For added safety and improved appearance, we offer a safety kit which includes pieces on the side to cover the wheel opening, and small platforms built into each end to prevent stepping into the gliding mechanism.

Double Lawn Swings - Wood

Our Double Lawn Swings are constructed with a 2x4 frame. They are sturdy and swing easily. Double Lawn Swings are shipped disassembled and can be hauled in a pick-up truck.

Tops are available with or without hearts, and with treated T1-11 or lattice.
