

## Park Bench

Shown with natural cedar stain

72" Long  
Wooden Bench with Concrete Legs

## Excellence in Craftsmanship and in Lumber Quality

Our wood tables and benches are manufactured with premium grade 2x6 and 2x4 pressure treated lumber. Materials are milled, edges are rounded, and surfaces are sanded for a smooth feel and to prevent splinters.

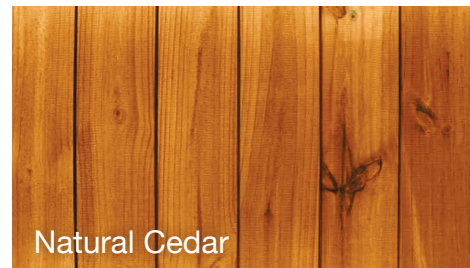

**Standard Option:** Wood furniture can be stained with a sealer to protect from weather.

## Custom Stains or Paint Available

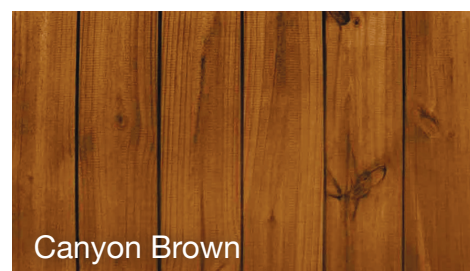

### Stains

Golden Oak

Natural Cedar

Canyon Brown

Actual stain colors may vary from printed brochure.
