Custom Wood Display Tables

Improve Your Sales with a Custom Wood Display Table

Ta-St-24x48

30"
24"
18"

Different heights of legs available for display tables.

Legs are removable for easy storage.

- Custom design your own layout or use a standard display table.

- Units have removable legs for easy shipping and storage.

- Displays can be used indoor or outdoor.

- Built with 5/4 x 6 decking.

- Stained with a sealer to protect from weather and watering plants. (Color options available)

- Material is milled, rounded and edge sanded with a smooth surface to prevent any splinters.

- Manufactured using pressure-treated southern yellow pine wood.

- Wolmanized EraWood® lumber is preserved for the ages.
