Everything wonderful about wood.

Handcrafted frames, finely detailed woodwork—expect nothing less than the highest quality designs, craftsmanship and materials from East Side. We deliver on a promise of exceptional wood creations for anyone who appreciates the fine art of woodworking at the hands of true artists. East Side artisans take the natural beauty of wood and transform it into an array of frames, and with its own unique style, each wonderfully sculpted by dedicated craftspeople who skillfully blend old world techniques with the latest in technology. All our frames are hand made with attention to the fine details. Proudly manufactured in the U.S., and shipped nationwide. East Side is everything wonderful about wood.
